Kia ora to all our new and returning students and whānau!

We are excited to welcome you all into our school community and look forward to a year filled with learning, connection, and celebration.

The start of a new year brings fresh opportunities, and we are already seeing students settle into their learning with enthusiasm. It's great to see friendships forming, confidence growing, and our school values shining through in classrooms and around the school.

This year, we continue our focus on being Kaitiaki—guardians of our learning, our environment, and each other. We encourage our tamariki to take pride in their responsibilities, show respect, and care for those around them, ensuring our school remains a beautiful place where everyone thrives.

Attendance is also a key area for us in 2025. Every day at school matters, and we want to see our students present, engaged, and making the most of their learning. Let's work together to build great habits and set our tamariki up for success.

We appreciate the ongoing support of our whānau and encourage you to be part of your child's learning journey. Let's make 2025 a year of success, fun, and achievement together!

Ngā mihi nui,

MES Fun Day

We are confident, resilient and will reach great heights

Kicking Off 2025 with Fun and Celebration!

To celebrate the start of the year and the opening of our new canopy, our tamariki had a 'Fun Day' last week Friday. The event ran all day with exciting rotations, including bouncy castles, sports, water play and activities under our new canopy.

The smiles, laughter, and energy throughout the day showed just how much everyone enjoyed themselves. A well deserved day of fun for our children!
