**Kia ora to all our whānau!**

Attendance has been excellent this term. Regular attendance supports student learning and growth. As colder weather approaches, please ensure students have warm clothing, waterproof jackets, suitable footwear, and layers that can easily be adjusted throughout the day. Encouraging good sleep patterns, balanced meals, and regular routines at home also helps students stay healthy and ready to learn. Communicating promptly with the school if your child is unwell ensures we can provide the necessary support.

Let's be proactive and continue this great attendance record, finishing the term strong.

Ngā mihi,

Ngā mihi nui,

### Banquer Day

Just a friendly reminder that our special Banquer Day is coming up on Friday 4th April! Every child attending school on this day will receive the same amount of Banquer dollars as a reward, which they can spend on exciting and fun activities or to purchase from our MES shop.

We are still gratefully accepting donations of goods for our MES shop. On Wednesday, our tamariki will have the opportunity to walk around and preview the shop items already available.

# What Now visits MES

We are confident, resilient and will reach great heights

Last Friday, Manurewa East School enjoyed an exciting visit from the children's TV show What Now! Our students enthusiastically participated in a quiz challenge, answering questions and cheering loudly for their friends. A highlight of the day was when students were sprayed with foam, creating a fun and memorable experience for everyone. Thank you, What Now team, for bringing a great experience to our school! Whānau, keep an eye out for the screening of our school on What Now!
